Guidance News with Ms. Lisa

We've gotten off to a great school year at MCS! We are beginning the year by discussing Friendships in my Guidance classes and small groups. Students are learning what to look for in a good friend and how to be a good friend by showing kindness and respect for others. We are also learning about our "Love Lights" and how to let our individual talents and gifts

shine. Honoring that everyone is special teaches us mutual respect for others. We lit the "Peace Candle" to help us remember our Love Lights and to promote Peace. We will be identifying and discussing Feelings with "Lovey Dove" the Peace dove also this month.

Please feel free to contact me for any counseling need. I

am here to help you and your students. My e-mail is:

Field Trip to Boeing Planned

Our upper el and middle school students will be taking a field trip to Boeing to be a part of the "Dreamlearners Tour" on Sept.30 for UE and Oct.7 for MS. We will have an over-

view of the Boeing SC site, see exhibits, and participate in an airplane building activity. This will be an exciting opportunity to learn more about the Dreamliner aircraft and

the production process.
