What's New at MCS

If you happen to be at MCS after 3:00 you might be surprised at the number of students and staff still on campus and the range of activities taking place. Thanks in part to our new staff, we've added Dance Class and Guitar Club to our already established Chorus and Chess Club. Rebecca Connor, UE Science Teacher, and Mike Baum, Middle School Teacher Assistant, lead these two new groups.

We also participated as a school for the first time in the Charleston Marathon! MCS students joined students from Charleston, Berkeley and Dorchester counties in the Charleston Youth Marathon on January 16, the day before the marathon. On Saturday, MCS families staffed one of the water/snack stations for the marathon runners. It was an exciting day of cheering, especially when we saw some of our own MCS parents running!

And it's MCS Annual time! Go to our website to access the link for ordering. www.montessori.ccsdschools.com.

Please check the calendar below to see all of our upcoming events. It's going to be a busy spring!
